Dear Friend of Make-A-Wish,

We are thrilled to announce that the *Hamlin and Associates Wishmaker's Ball presented by Fields BMW* was voted the **#1 Charity Gala in Orlando!** Thank you for being a part of our continued success!

Plans have begun for the 2018 Wishmaker's Ball and we invite you to take part in the event **by donating a gift certificate, gift basket, or quality item to our silent auction.**

Taking place on **Saturday, April 21, 2018** at the exclusive **Waldorf Astoria Orlando**, Wishmaker's Ball is our signature gala and largest fundraiser, raising over \$1 Million in 2017. With over 1,200 attendees, the evening includes a 3-course dinner, a silent auction featuring over 200 items, a live auction, a raffle for a special VIP table, and a separate after-party immediately following the event. All money raised stays locally to grant the wishes of children with life-threatening medical conditions.

A large part of the event's success is due to our exciting and unique silent and live auction items. This year, our goal is to once again break the \$1 Million mark to grant **130 wishes** to children in our local community. By donating to our event, your company will be recognized on our website as well as in the event program that will be distributed to over 1,200 guests. Additionally, you will have the opportunity to display promotional materials along with the auction item.

To contribute, please fill out the enclosed in-kind form and fax or mail to our office by March 16, 2018.

We hope we can count on your support. If you have any questions please do not hesitate to contact Krista Zagales, Development and Events Manager at 407-622-4673 x209 or kzagales@wishcentral.org.

Hamlin & Associates

Sincerely,

Wishmaker's Ball
